2021 COMMITTEES

JOIN AN ABC COMMITTEE,
GAIN BUSINESS CONNECTIONS AND MAKE A DIFFERENCE!

As an ABC member, you can make decisions influencing the construction industry and help shape ABC policies by being part of a committee. This is also a great way to develop your leadership skills and gain access to knowledge about the industry, while networking with other industry professionals. The committees work hard and play hard at their meetings and socials. Pick the one (or more!) that stands out to you!
