

CHARTERSHIP 365

PARTNERING FOR IMPACT ALL YEAR

By becoming a Chartership 365 Sponsor, you not only elevate your brand through targeted exposure at industry events, but also directly fuel growth, drive safety excellence, enhance workforce capabilities, and ensure your voice is heard in shaping the future of the construction industry. Your sponsorship enables us to continue offering vital resources, educational programs, and a platform for meaningful networking, ensuring that your business stays at the forefront of the construction sector.

The Value of Chartership 365:

- **Membership and Networking:** ABC fosters an environment for business development, networking, and growth with its guiding principle: "Members Do Business with Members." As the heart of the association, members play a vital role by serving in leadership positions, actively participating in committees, and shaping the association's direction.
- **Safety Leadership:** Safety is the cornerstone of ABC's mission. Members prioritize worker health and safety, striving for accident-free job sites. ABC supports these efforts with robust safety training programs and recognition initiatives to promote a culture of safety industry-wide.
- **Workforce Development and Training:** ABC champions careers in construction by offering hands-on craft training through the Construction Maintenance and Education Foundation, supervisory training, professional development, and upskilling opportunities. These initiatives create life-long career paths for individuals seeking growth, from entry-level roles to advanced leadership positions.
- **Political Advocacy:** As the voice of the construction industry, ABC stands firm on principles of free enterprise and merit-based advancement. The association tirelessly advocates for workplace freedoms and policies that safeguard the rights and opportunities of industry professionals.

Take the next step to amplify your impact and join us as a Chartership 365 Sponsor. Contact us today to learn how you can support ABC Greater Houston while benefiting from unparalleled visibility, influence, and growth opportunities within the construction industry!
